

Privacy Policy

Description

Privacy Policy

We are committed to safeguarding your online privacy when you use our site. The following Privacy Policy explains this commitment and how we will treat any personal or other information we obtain from you when you visit our site.

In this Privacy Policy, the words "we" and "us" refer to Seresco Technologies, and the phrase "our site" refers to our web site located at www.serescodehumidifiers.com.

What Information We May Learn About You And How We Use It

Personal Information That You Voluntarily Provide To Us

We may ask or permit you to voluntarily provide personal information to us through our site. For example, in order to respond to any questions or requests you may submit to us through our site, we may ask you for personal information such as your name, address, e-mail address and telephone number. We may use any personal information you provide us to respond to your questions or requests or for any other purpose for which you provided us the information. However, we will never divulge any personal information you provide us to any third party without your permission.

Information That We Independently Derive From Your Use Of Our Site

Aside from any personal information you may actively provide to us, when you use our site, we also may obtain (1) information about the IP address of the computer you use to access our site, and (2) information from cookies we send you. None of this information identifies you personally. We may use this information for internal purposes such as to improve the content of our site. Also, we may combine this information with IP address and cookie information from other visitors to our site in order to create aggregated

statistics about our site visitors, traffic patterns for our site, and related matters. We may provide these statistics to third parties. However, none of these statistics will include any information that identifies you personally. Our use of IP addresses and cookies is further explained in the following.

- **IP Addresses** An IP address is a number that is automatically assigned to your computer when you connect to the Internet. We collect IP addresses for the purposes of system administration and to audit the use of our site. Each time you log onto our site and each time you request one of our pages, our server logs your computer's IP address. Although we log your session with us, we will not link your computer's IP address to anything that can enable us to identify you.
- **Cookies** A cookie is a small amount of data that is sent to your browser from a web server and is then stored on our computer's hard drive. Cookies are widely used on the Internet and have become an industry standard. By showing how and when our visitors use our site, cookies can help us to improve our site on a continual basis. We will use cookies only to view information on your hard drive that was put there by a cookie from our site. The settings on most browser programs can be adjusted so that your browser either will not accept cookies or will alert you before doing so.

When We May Be Forced To Disclose

We may disclose information about you in special cases when we believe in good faith that such disclosure is necessary to identify, contact or bring legal action against someone who, intentionally or unintentionally, may be causing injury to or interference with the rights or property of us, users of our site or others. We also may disclose information about you when we believe in good faith that the law requires it.

Links To Other Sites

We are not responsible for the privacy practices of such other sites, and this Privacy Policy applies solely to information collected by our site. We encourage you to be aware of when you leave our site, and to read the privacy policies of each and every web site that collects personally identifiable information.

Security

We exercise great care in providing secure transmission from your Internet connection to our server for any personal information you provide us. Unfortunately, no data transmission over the Internet can be guaranteed to be 100% secure and we will not be held liable should a third party illegally obtain your personal information. While we have made a great effort to protect your personal information, we cannot ensure or warrant the security of any information you transmit to us, and you do so at your own risk.

Your Acceptance Of This Policy

By using our site, you signify your assent to this Privacy Policy and our Terms of Use and agree to abide by them at all times. If you do not agree with this Privacy Policy or our Terms of Use, please refrain from using our site. We reserve the right to modify this Privacy Policy or our Terms of Use at any time, so please check our site regularly to see if we have done so. Your continued use of our site after we have posted on our site changes to this Privacy Policy or our Terms of Use will mean you accept the changes.
